

Saturday 15 - Sunday 16 August  
**MARITIME 2015**  
**IPSWICH WATERFRONT**

This year's theme is the 'Port at War' in Ipswich, both as a port and a town and we will be providing a variety of re-enactments and static displays with many participants in period costume.

Other activities include live music each day from our stage on a boat by the Pilots Mess Pub, dance, fairground rides and three markets (including local foods, crafts and information). In addition, don't forget the soldiers' procession on Saturday evening and the grand finale with fireworks on Sunday.

**KEY TIMINGS**

Day time activities	10am-6pm
Re-enactments	10.30am-5.30pm
	Saturday 9pm - Soldiers' procession followed by cannon fire
Fireworks	Sunday 9.30pm (brought to you by Donalds Volvo)
Live music	Noon-9pm

This leaflet provides an outline of some of the activities - for full information, or to book a ticket on a cruise, check out the website.
