

This year's Christmas Market is brought to you by Ipswich Borough Council and is bigger and better than before with some exciting activities to complement the variety of stalls.

Father Christmas will arrive each day at 10.30am at Majors Corner and will be driven through the town in convoy by Spedeworth Motorsports before arriving at his destination in Butter Market ... and looks forward to meeting everyone throughout the day.

Come and see the fantastic **Snowglobe**, go inside for a FREE photograph. Listen to some great **music** on the Market Stage programmed by the Blue Bus Tour each day from 10am. There's plenty to keep the kids' occupied with on the **Carz of Fun**, **Fun House** and **mini Christmas Train Ride**.

Come along to buy some great gifts, have some hot food and a drink as you have a break and listen to the music.

Opening each day from 10am until 6pm (4pm Sunday) there will be plenty for all age groups to do!
